**Re: Comparison Data
Appeal of Hernando County Sheriff's Office Fiscal Year 2016-17 Budget
Administration Commission Case No. SBA-16-002**

Dear Ms. Robinson:

In response to Policy Coordinator Katie Cunningham's letter dated January 3, 2017 requesting comparison data, attached is our completed form, Attachment One. The County's budget numbers were readily available on their website. We, therefore, have also taken the liberty of completing Attachment Two. If you would like to verify the numbers used, they can be found at <http://www.hernandocounty.us/bocc/budget/>. It is our sincere hope that this step may help expedite the appeal or negotiation process.

If there is anything else we can provide, please let us know.

Sincerely,

Al Nienhuis
Sheriff
